ABOUT US

Providing quality and consistency in its unprecedented service, Explast Ltd is amongst the leaders in its field of activity, producing high-quality printed and plain paper and plastic packaging in Mauritius.

Established in 1984, for over 35 years, the company's continuous change and expansion have had a strong impact on the plastics manufacturing industry in Mauritius and Explast has now started to lead the way in its industry, with a talented workforce and latest technologies.

Pursuing its expansion and its commitment to a greener and eco-conscious packaging solution provider, Explast now also proposes Paper Packaging.

We make it!
